Operations Manger's Report
For August 8th, 2022 Board Meeting

Submitted by:
Steve Ross, Operations Manager

Mission Statement: "DATV is a community forum that empowers all citizens to learn, create and express their ideas through electronic media"

This report will prove to be a short one, not because your staff and members haven't been busy serving the public, but so I could highlight a couple of events.

Church Awareness Day – DATV will be hosting a Church Awareness Day on Wednesday, August 24th from
9am – 4:30pm. This will an opportunity for tours, as well as, giving church representatives the same on-camera
opportunity we give non-profits for Non-Profit Day. This opportunity gives church representatives 1 to 3 minutes of camera time to promote their churches. DATV will then air their presentation and give the church a high-definition copy. Anyone wishing to promote their church will need to call and schedule a time to do so by August 17th.

Broadcaters Hall of Fame – As you know, I will be inducted into the Broadcasters Hall of Fame this year.
At the request of the Board, I have purchased a table to the event for September 8th at the Convention Center. Registration begins at 5:30pm and masks are required until dinner is served. At DATV's table will be Randy Phillips, Marlese Durr, Maggie Barlow, and Jodi Owens. Also at DATV's table will be DATV staff, Melissa, Dale, and Eric.
Thank you so much for attending. It's quite an honor and humbling experience for me.

New Equipment – As mentioned in previous reports, we have 10, new HD cameras. We have been holding special workshops for current producers and have also been teaching their use in the Field Production classes. We're excited for the producers.

Summer Event Coverage – Just a quick note of thanks to all of the all of the DATV

volunteers who have been working hard during our summer event coverage. I always mention that we could not do what we do for the community without our members.

Next Board Meeting - Monday, October 10th, 2022 at 5:30pm
